

Student name:

Santa Rosa Junior College

As family members of, or support providers for, a participant in the College to Career program, I agree to support in the following ways:

I will:

- Promote my son or daughter in being the primary communicator with C2C staff, instructors and educational coaches
- Understand my child is an adult and needs to continue to develop independence and self-advocacy skills
- Make sure I am aware of my and my child's rights and responsibilities in post-secondary public education
- Communicate comments and concerns to C2C staff
- Support my child in participating in work experiences in the community and coordinating transportation as independently as possible
- Support my son or daughter in being successful in college and employment, fading assistance as appropriate (appropriate dress, being on time, transportation support, etc.)
- Encourage students to utilize C2C and campus resources
- Understand my child will be unsupervised while not in the classroom (i.e. during lunch time, before and after class, during breaks and while utilizing public transportation)
- Work closely with the C2C staff to solve any challenges related to my son or daughter's progress in the program
- Participate in meetings as needed involving my son/daughter, related to the C2C program
- Follow through at home on skill development or homework requiring additional assistance
- Respect all decisions of C2C and SRJC staff and instructors
